### Indian Style

Sticking with the International theme we went with for the latest issue of N.O.W. Magazine, Kandice Webster of Posh Productions was inspired to plan a gorgeous Indian table scape filled with classic Indian elements.

"I knew that I had to incorporate rich tones and hues. Rich reds and golds immediately came to mind!" share Webster. " I thought to myself, let's create a design that is as rich as the Indian culture. I though, elephants, gold and maroon fabrics, Moroccan elements, paisleys...ahhhh that's it!"
